Rumors & Uncertainties

Public Works Center is now known as NAVFACPAC and some of you have expressed concerns that IFPTE Local 121 will no longer provide union services here at the

compound. The name has changed, however, the UIC is still N62755 and our union contract is with N62755. IFPTE Local 121 still represents us here at the compound.

NSPS

A lot of information has been given about NSPS. Information is good and we are entitled to get as much as is available.

NAVFAC has posted information about NSPS on the NAVFAC web site.

Brother Ben Toyama, Vice President of IFPTE Local 121 at Shipyard has been attending meetings in Washington and is bringing back the latest information.

Take time to read and understand what is being said about NSPS. Ask questions and get the answers you feel you need to hear.
